

Cannabis Beauty Defined

- GINSENG & HEMP MOISTURIZER

This deeply nourishing, hydrating, and protecting moisturizer uses active herbal ingredients to help rejuvenate skin cells and smooth the appearance of fine lines and wrinkles. The intense moisturizing and age-defying ingredients will help restore and revitalize visibly aged skin for a firmer, more youthful-looking complexion. All Cannabis Beauty Defined products feature our Ancient Asian Herbal Formula that works synergistically with our active ingredients, including hemp, ginseng, and goji berry to increase their bioavailability. Ginseng & Hemp Moisturizer quenches and nourishes your skin, leaving it soft and radiant.

The U.S. Hemp Authority™ Certification Program was formed in order to provide consumers, regulators, and law enforcement officials with the assurance that hemp-derived products are safe and legal. In a joint effort spearheaded and funded by the U.S. Hemp Roundtable, and supported by organizations such as the Hemp Industries Association, state pilot project participants, industry-leading firms, top-grade testing laboratories, and quality assessors, the U.S. Hemp Authority™ created a comprehensive guidance strategy for hemp farmers and processors.

Built on the foundation of our Soil to Sale™ pledge, Kannaway has grown to become one of the largest, fastest growing cannabis companies in the world. Our ongoing promise to use only the most nutrient-rich farms, the most effective techniques, the highest safety standards, and the best education materials on cannabis and CBD, are the four pillars in which we continue to build our success.
