The U.S. Hemp Authority™ Certification Program was formed in order to provide consumers, regulators, and law enforcement officials with the assurance that hemp-derived products are safe and legal. In a joint effort spearheaded and funded by the U.S. Hemp Roundtable, and supported by organizations such as the Hemp Industries Association, state pilot project participants, industry-leading firms, top-grade testing laboratories, and quality assessors, the U.S. Hemp Authority™ created a comprehensive guidance strategy for hemp farmers and processors.

In 2014, Kannaway became the first direct selling company to distribute CBD products. From the nutrient-rich farms in which we cultivate our hemp to our rigorous Triple Lab Testing™ process, we are committed to providing our customers with a true Soil to Sale™ experience, delivering the highest grade CBD products on the market today.
