Whether you live an active lifestyle or want youthful, healthy looking skin, Kannaway Salve is exactly what you need. It contains an Ancient Asian Herbal Formula that works synergistically with hemp oil for ultimate results. This revolutionary combination of hemp oil and our Ancient Asian botanicals brings rich, nourishing moisture to all skin types.

Administered by highly experienced quality assurance and verification professionals, the U.S. Hemp Authority™ Certification Program is an industry initiative specifically designed to educate hemp farmers and processors in FDA Current Good Manufacturing Practices (CGMP) and Good Agricultural Practices (GAP). Hemp growers who comply with the U.S. Hemp Authority Guidance Program, and are verified by a 3rd party audit, will be authorized to use the U.S. Hemp Authority™ “Certified” Seal in their advertising materials. This seal provides consumers and law enforcement officials with a sense of confidence that their products are safe and of the highest possible quality.

In 2014, Kannaway became the first direct selling company to distribute CBD products. From the nutrient-rich farms in which we cultivate our hemp to our rigorous Triple Lab Testing™ process, we are committed to providing our customers with a true Soil to Sale™ experience, delivering the highest grade CBD products on the market today.
